PROPOSED ROAD BOND PROJECTS

WILCO TEXAS

Rev 10/16/23

Remember

- **All proposed road and park projects will be constructed without raising the County debt service tax rate.**

- **Added capacity roadway projects and additional park facilities are only funded through bond elections. The yearly county budget is for maintenance only.**

The Path To Get Here

- **March 28, 2023 Williamson County Commissioners Court appoints Citizens Bond Committee**

- **Citizens Bond Committee solicits input from citizens through public meetings held in each precinct**

- **Additionally solicits input from all cities and MUDs**

The Path To Get Here Continued

- **Citizens Bond Committee receives over $6 billion in Road Projects and $127 Million in Park/Trail requests.**

- **Citizens Bond Committee recommended $1.6862 billion in road projects and $78.96 million in park projects to the Court.**

- **After consideration, the Court voted to put $825 million in road projects and $59 million in park/recreation projects on the November ballot for public consideration.**

The Williamson County Commissioners Court has called an election for November 7th for voters to consider two separate ballot propositions for the issuance of tax bonds for roads and park and recreational purposes. This map illustrates the proposed road bond projects which all vary in scope from right-of-way acquisitions, improvement, design and/or construction. Additionally, the illustration of proposed project locations on this map does not necessarily represent project limits. The proposed project scope and project limits are subject to change based on future economic, market and other conditions.
