Re: Fall 2026 Annual Scholarship Sponsor Opportunities

Dear ASHE CTX Member:

On behalf of the American Society of Highway Engineers (ASHE) Central Texas Section, we would like to invite you to participate in the Fall 2026 scholarship program. The ASHE Central Texas Section is seeking sponsorships from local firms and individuals to help support the **Scholarship Program**.

To help you choose the sponsorship level that best fits your firm's needs, we offer a variety of packages. The benefit of being a sponsor includes:

- ✓ Recognition at our Scholar Award Program through the display of your company logo, advertisement via PowerPoint, and an opportunity to say a few words about your firm.
- ✓ Opportunity to network with industry leaders.
- ✓ Listing as sponsor on email communications and LinkedIn postings related to Scholarship Awards event (Scholarship level).

Thanks to many of you, we are now entering our 6th year with a growing membership base.

ASHE Central Texas has a significant presence in Central Texas and provides a forum for members and partners of the highway industry to support education, innovation, and fellowship in this field.

Please help us to continue to support our industry in the area by sponsoring the ASHE Central Texas Scholarship Program and contributing to the professional development of the industry's future.

We thank you in advance for your support. Enclosed, please find a complete sponsorship package for your review.

Sincerely,

Michelle L. Romage-Chambers
